About us

As an association affiliated to Iran Chamber of Commerce, we have been a trusted exhibition management leader but the coronavirus pandemic caused a halt to large events worldwide so we have set up an exclusive virtual platform to comply with social distancing while still hosting events. Iran Virtual Expo is a platform designed specifically for virtual trade shows, seminars and webinars. It is a one-stop shop to help companies create amazing events and reinvent their businesses by embracing key technology development. Our robust virtual event platform will enable you to enhance your brand awareness. Our feature set and customer support will improve your customers' experience while visiting your virtual booth and inspire them to action. We constantly innovate and create new strategies to make a difference in exhibition industry.

VIRTUAL EX

why Virtual Exhibitions?
