

TechMeeting

April 15, 2021

# Tomorrow's Supply Chain

Paris

Who's attending?

And more coming soon...

What kind of solutions they are looking for?

## Tomorrow's Supply Chain

Inventory Management, Ecommerce, Logistics, Last mile Delivery, Fleet management, Predictive Analytics, Track & Trace, Drones, Freight Services, Crowd Shipping, One Demand Delivery, Autonomous Vehicles, Flow Optimization, Warehousing, Sensors & Asset Tagging, Food supply chain, Robotics

**Technos transverses** : AI, Cybersecurity, Blockchain, Big Data Analytics

What we propose?

A unique opportunity to connect your company to different large corporations dedicated to the theme and benefit from high-level connections

# 1

## You get to present your solution

Register & Complete your profil – we will then be able to fullfill your one pager

# 2

## Large corporations get to read your one pager

We'll share your one pager with our high-level contacts in Large Corporations

# 3

## New business

We'll then get back to you with the contact information of the large corporations interested in your solution and wishing want to know more!

“The Choose Paris Region team will support you before, during and after the TechMeeting to ensure a successful networking experience!”

**REGISTER**

**Deadline for applications: March 30, 2021 2:00pm (CET) - Number of places limited to 40**

**Nadia Zaidi**  
Corporate Innovation Manager
