BUSINESS OPPORTUNITIES FROM ISRAEL

December 2023

Greetings from the Federation of Israeli Chambers of Commerce!

As part of our efforts to promote business matchmaking for Israeli companies, we give you this monthly edition of our members' business offers. All are looking for new business partners, distributors, representation or suppliers.

Companies who find these offers relevant to them may contact us directly and approach Ms. Yonat Keren: chamber@chamber.org.il

We invite you and your members to send us business offers to publish them on our website business opportunity system.

To post an offer, please [click here](#)

Thank you in advance for your cooperation.

<i>Interested in</i>	<i>Export</i>
Summary of offer	<i>Cyber Security: Holistic Secret Security Platform for security teams and CISOs</i>

Description of Offer

Our platform reveals all secrets everywhere across code, messaging channels, wikis, Vaults, CI/CD, cloud assets and more. It also provides secrets inventory that answers the question of how many secrets you have and where they are, just like putting an Air Tag over your secrets.

Our platform classifies and enriches each secret and provides vital in-depth visibility like the secret owner, correlated service, permissions and risk severity level. Our platform constantly monitors secrets for abnormal behavior, detects and helps remediate risks, and ensures secrets are protected with security oversight.

Potential Partners	We are looking for organizations with 700-10,000 employees, among which approximately 10-15% are developers.
Target Countries	North America

Summary of offer	<i>Outsourcing External Organic Teams of Software Developers</i>

Description of Offer

We offer companies to outsource external organic teams of software developers.

What makes us unique, is that we don't just connect them with random developers, but also train developers, cater to all their personal and professional needs, and assist them professionally during projects.

Maintaining happy developer teams allows us to offer our clients a written commitment to projects' success; no downtime; team stability and growth.

Our service is of particular importance during stages of rapid growth, when companies need to expand their output but cannot compromise on the quality of their software offerings.

Since 2004, we've placed developers in over 1,500 positions in numerous categories: Media and Streaming (Video & Audio), Healthcare, Energy, Cyber Security, Fintech, Hospitality, E-Commerce, Telecom, IoT, Mobile apps and games, Real-time bidding systems, Casino and Betting online platforms.

Added value services: Product Management, Project Management, Design, QA, DevOps, etc.

We currently have dozens of organic teams with (2-40 people each).

Potential Partners	Enterprises, hi-tech companies, venture capital portfolio companies, startup accelerators portfolio companies and investors portfolio companies.
Target Countries	USA, Canada, Europe.

Summary of offer	<i>Extremely Effective (99.9%) Anti-Pigeon Spike Unit</i>
<u>Description of Offer</u> This revolutionary pigeon-detering spike unit possesses unique qualities; professionals have uniquely & expertly engineered this product to address avian infiltration tactics and provide better solutions for the deterrence of birds.	

Features:

- * Extreme-Width (29cm) with full area coverage - leaves no room for pigeons to land on.
- * Advanced, super-effective (180 degrees, half-circle) uniquely engineered spike array design.
- * Highly dense spikes (2 cm) – narrow spaces prevent pigeons from penetrating.
- * Modularity - UNIQUE FEATURE: controllable width (20-29 cm) to match various surfaces.
- * Fast & easy installation: speedy installation with professional results, no experience needed for use!
- * The most cost-effective (75%) and installation-time-saving (75%) unit in the world compared to regular spike units.

The amazing results of this spike unit will give great satisfaction and ease of mind to both the professional installer and the amateur DIYer.

We offer reasonable pricing, a high-quality product, and dedicated service.

Potential Partners	Distributors
Target Countries	US, Canada, UK, US Common Market, Australia
