### **Description of Offer**

Founded in 1999, our company specializes in importing and distributing consumer goods for Israel's AFH market, focusing on institutions, companies and industries all away from home consumers. We've transitioned from retail to focus solely on AFH, expanding our product range based on client needs. Our experienced team and efficient logistics ensure top-notch service and tailored solutions for every client requirement.

Our company serves more than 2,000 satisfied clients, including some of the largest organizations in the Israeli market. Our clients encompass industrial, business, public, and institutional organizations such as municipalities, government ministries, hospitals, retirement homes, universities, hotels, restaurants, and more.

We offer a wide range of high-quality products, specializing in paper goods, dispensers, detergents, hygiene products, nylon items, disposables, janitorial supplies, and more. Our carefully curated selection comprises 2,500 items to meet all client requirements. We also import and market innovative and cost-effective bathroom solutions, including WISDOM dispensers, advanced paper products, air fresheners, and more.

We are looking for cooperation and a new business partnership with manufacturers of various tissue paper products, such as hand paper towels, toilet paper, and industrial tissue paper enabling production of our own brand products.	
Other Information	Our company holds an ISO9001 standard, which sets out requirements for quality control systems. The company operates accordingly to ensure client satisfaction while meeting clients' requests and desires within the scope of its activity.
